PERSONAL STATEMENT

I am a reliable worker with a great passion for creating and drawing. I like challenging projects that allow me to develop my skills. I studied and worked as a frontend web developer, but in my twenty-five, I decided to switch over to digital art. I have experience in 3D modeling, and I am looking forward to apply it in videogame projects.

EXPERIENCE

3D Artist
Self-employment | Samara | 2019 - Present

Designed and modeled various enviroment and prop assets, ensuring that all projects were completed in timely manner.
